Hi All

Please find attached the agenda for the next panel member training session in Manchester which will be held on Monday 18th September (morning) at Holiday Inn Manchester City Centre, 25 Aytoun Street, Manchester, Greater Manchester, United Kingdom, M1 3DT. Please confirm your attendance by return so that we can organise refreshments.

We held a session in London yesterday which proved really positive. I know that some people could not attend yesterday's session, however, I will organise another session in central London if that is more convenient for you. If it is, please let me know.

We can still accommodate additional prospective panel members if any of your colleagues wish to join us. I'm hoping for a very interactive session but if you have any questions or queries prior to the session please do not hesitate to contact me.

Looking forward to meeting you

Best regards

Wendy

NHS Improvement is responsible for overseeing foundation trusts, NHS trusts and independent providers. We offer the support these providers need to give patients consistently safe, high quality, compassionate care within local health systems that are financially sustainable. By holding providers to account and, where necessary, intervening, we help the NHS to meet its short-term challenges and secure its future.

NHS Improvement is the operational name for the organisation that brings together Monitor, NHS Trust Development Authority, Patient Safety, the National Reporting and Learning System, the Advancing Change team and the Intensive Support Teams.
