

COMPACT 2016

(Freedom to Speak Up Guardians and the National Guardian's Office)

As the National Guardian's Office, we will:

- Promote Freedom to Speak Up across the NHS
- Communicate regularly with you
- Attend regional meetings and provide guidance on their running
- Be there for advice and support
- Put you in touch with each other
- Share what works
- Promote your successes
- Ensure quality education and training is available
- Set standards where they are needed for data collection
- Listen and act on your feedback

As Freedom to Speak Up Guardians, you will:

- Promote Freedom to Speak Up in your trust
- Act to create an open and transparent culture
- Build relationships to help you do your job
- Make yourself accessible to staff
- Connect to frontline staff
- Ensure your trust is represented at regional and national events
- Continually strive for excellence
- Gather appropriate information
