Subject: Visit to DMS(W)

Thank you for visiting DMS(W) yesterday and presenting on FTSU. I thought we had a good meeting and we made significant progress on decisions around appointing guardians, champions, training, policies, metrics, SOPs and comms. We have also set a timeline for the start of the pilot of 1 Feb which will give sufficient time post the planned trg at DMS(W) on 12 Dec to sort out any new issues.

Thank you for your significant role in making this meeting a success. Do you think there is anything that we have missed or anything else that we should be thinking of?

Henrietta,

We are grateful for your support and the support from . This vanguard primary care pilot will happen. We had booked a visit to DMS(W) for you on 18 Dec. However it is now clear that we will need to re-schedule this as staff will have already been stood down for Xmas leave. will talk to your PA but I think the best time for a visit for you to speak on FTSU would be late Jan just before the lunch of the pilot.

Best wishes,

David
