Subject: RE: FOI 0303 - Trust Directors and CQC Regulation

For our discussion

How many concerns have been raised under CQC Regulation 5 Fit and Proper Persons about trust directors?

One, as far as we are aware

2) How many investigations/reviews have been triggered as a result of any such concerns?

None, but a review of the complaint and related matters has been undertaken

3) How of these investigations/ reviews were externally conducted?

The review was conducted with the support of external legal firm due to the context of the complaint

4) What parties have been commissioned to undertake external FPPR investigations/ reviews?

Legal firm

5) Can the trust give a total figure for the cost of all external FPPR investigations/ reviews undertaken in this period?

Approximately £5,000

Dear All,

Please respond on behalf of UHB

We have received a new FOI request and we believe the information is held within your department.

Wherever possible a single combined UHB response will be sent to the requester – we will only split where the information provided cannot be amalgamated. If you have concerns in relation to this particular FOI please contact the IG office.
